AMENDED IN SENATE MARCH 21, 2013

SENATE BILL

No. 267

Introduced by Senator Pavley

February 13, 2013

An act to add Section 12289 to the Elections Code, relating to elections.

LEGISLATIVE COUNSEL'S DIGEST

SB 267, as amended, Pavley. Polling places: higher education campuses.

(1) Existing law requires elections officials to establish a convenient number of election precincts and designate a polling place for each precinct. Under existing law, the local elections official may request the use of school buildings as polling places.

This bill would, for *statewide general elections conducted by a county or city and county held in November of each even-numbered year*, require the county or city and county elections official to establish precincts consisting solely of, and corresponding polling places within, each campus of a community college, the California State University, or the University of California, if the campus meets specified requirements. The bill would require the California State University and the California Community Colleges, and request the University of California, to provide access for the use of their campuses as polling places. By requiring county and city and county elections officials to perform new duties, and the California Community Colleges to provide access as polling places, the bill would impose a state-mandated local program.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 12289 is added to the Elections Code, to
2 read:

3 12289. (a) For each *statewide general election conducted by*
4 ~~a county or a city and county~~ *held on the first Tuesday after the*
5 *first Monday in November of each even-numbered year*, the county
6 or city and county elections official shall establish precincts
7 consisting solely of, and corresponding polling places within, each
8 campus of a community college, the California State University,
9 and the University of California, if the campus meets all of the
10 following requirements:

16 (b) The California State University and the California
17 Community Colleges shall, and the University of California is
18 requested to, provide access for use of their campuses as polling
19 places. This section does not apply to a campus of the University
20 of California if the campus refuses a request for access to the
21 campus as a polling place.

22 (c) An elections official may establish, pursuant to this section,
23 multiple polling places within a campus to meet the unique
24 population needs of each campus.

25 (d) Each campus within which a polling place is established
26 pursuant to this section and the elections official establishing the
27 polling place are encouraged to inform the campus community

1 that only voters who are registered within the campus precinct
2 boundaries are allowed to vote at the campus polling place.

3 (e) An elections official may establish a polling place within a
4 campus within which a polling place is not required to be
5 established pursuant to this section.

6 SEC. 2. If the Commission on State Mandates determines that
7 this act contains costs mandated by the state, reimbursement to
8 local agencies and school districts for those costs shall be made
9 pursuant to Part 7 (commencing with Section 17500) of Division
10 4 of Title 2 of the Government Code.
